

Updated Payment Policies – effective 03/15/2019

We are happy to inform you that **SilverSummit Healthplan and Ambetter from SilverSummit Healthplan** is publishing its Payment Policies to inform providers about acceptable billing practices and reimbursement methodologies for certain procedures and services. **SilverSummit Healthplan and Ambetter from SilverSummit Healthplan** believes that publishing this information will help providers to bill claims more accurately, therefore reducing unnecessary denials and delays in claims processing and payments.

We will apply these policies as medical claims reimbursement edits within our claims adjudication system. This is in addition to all other reimbursement processes that **SilverSummit Healthplan and Ambetter from SilverSummit Healthplan** currently employs.

These policies are developed based on medical literature and research, industry standards and guidelines as published and defined by the American Medical Association’s Current Procedural Terminology (CPT®), Centers for Medicare and Medicaid Services (CMS), and public domain specialty society guidance, unless specifically addressed in the fee-for-service provider manual published by the state of Nevada or regulations.

Visit www.SilverSummitHealthplan.com to find the Payment Policies.

The effective date for the below policies is **03/15/2019**
