

# Find your SilverSummit Healthplan provider today!

USE THIS GUIDE TO HELP YOU SEARCH AND LOCATE PROVIDERS  
IN YOUR AREA.

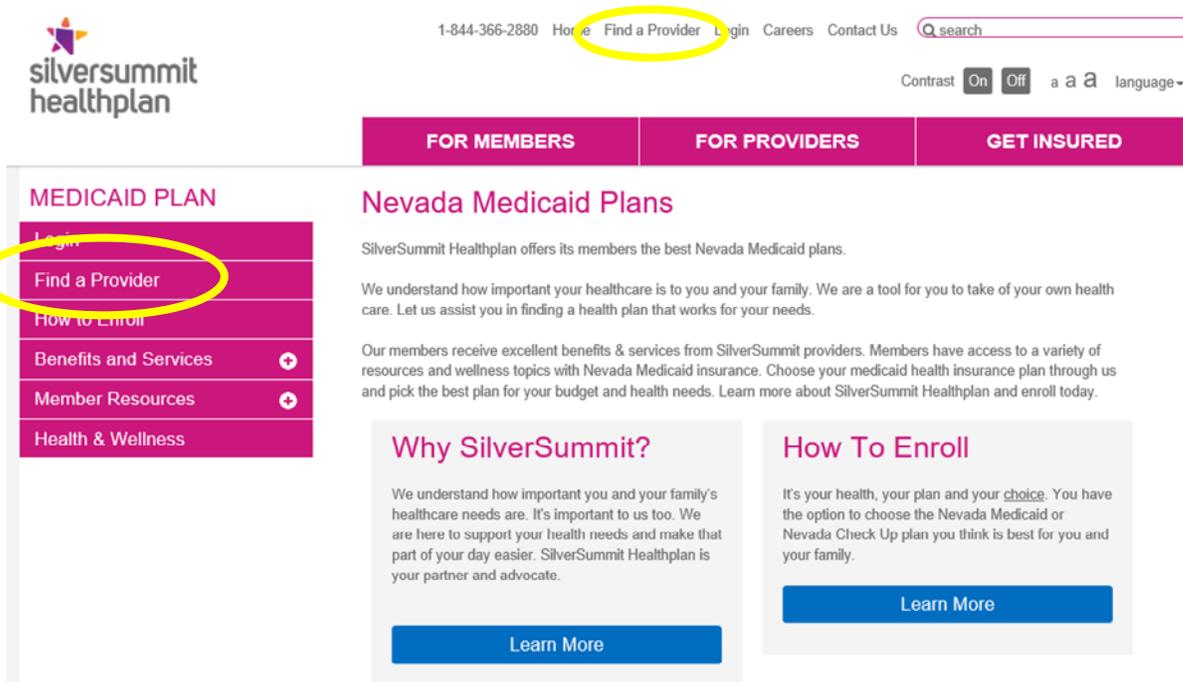

Follow the steps below to use the Find a Provider online search tool.

1

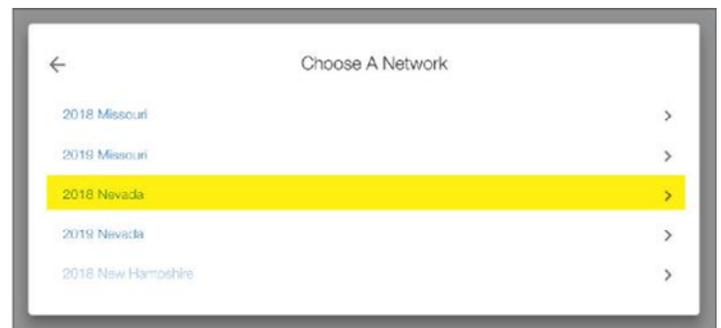

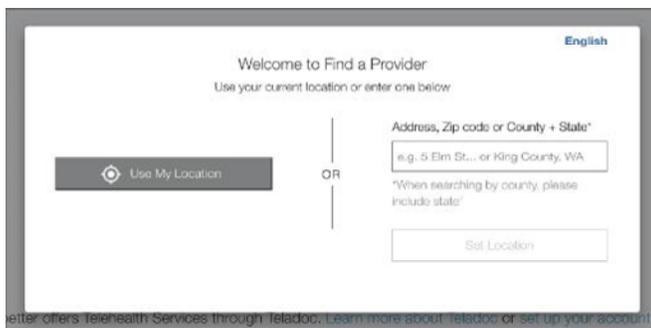

## STEP 1: Visit Your SilverSummit Healthplan Home Page

Click on **Find a Provider** from your SilverSummit Healthplan home page. *If you are viewing this guide from the “Welcome to Find a Provider” screen please skip to STEP 2.*

## STEP 2: Enter Your Location

Click on **Use My Location** or type in your Address, Zip Code, City or County to find a provider near you. If prompted upon entering your location, please select your Network.

### For searches by County, format as follows:

Name of the County followed by the word County, and the state abbreviation. Example: Clark County, NV

### For searches by City, format as follows:

Name of the City, followed by the state abbreviation. Example: Las Vegas, NV

### 3 STEP 3: Search for a Provider

There are two ways to search for a provider:  
**Quick Name Search** and **Detailed Search**.

Before choosing your search option, make sure your correct state network is listed.

You can also save a list of your favorite providers by adding their contact information to **My Favorites**. This gives you quick access to your list of providers whenever you need it.

#### Quick Name Search

If you know the name of the provider (doctor, hospital or other medical service) you can use the **Quick Name Search** by typing directly into the search field.

The screenshot shows a search box titled "Quick Name Search". Inside the box is a text input field with the placeholder text "Enter Practitioner or Provider Name" and a green "Search" button to its right.

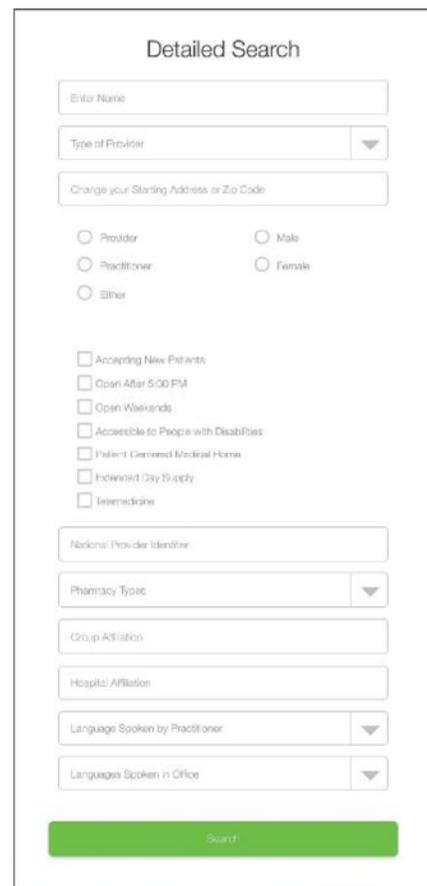

#### Detailed Search

If you want to search using more options, click on **Detailed Search** and select a **Type of Provider** from the drop-down menu. Next, you can choose a **Specialty**. If you are looking for a lab, medical equipment, home health or another health service, choose the **Ancillary** option from the drop-down menu. Then, select a **Specialty** from the list.

You can also narrow your search by clicking on **Additional Search Options** and choosing details such as the doctor's gender, languages spoken, hours of operation, hospitals and medical groups the provider is affiliated with, if the provider is accepting new patients and other specifications.

The screenshot shows a navigation menu. At the top left, it says "Network:" followed by a yellow box containing "2018 Nevada". To the right, it says "Location: [Click to Update](#)". Below this is a yellow box with "2018 Nevada" and the text "Find a HealthCare Provider". Underneath are three circular icons: a lightning bolt for "Quick Name Search", a stethoscope for "Detailed Search", and a star for "My Favorites".

The screenshot shows a "Detailed Search" form. It includes a text input field for "Enter Name", a dropdown menu for "Type of Provider", and a text input field for "Change your Starting Address or Zip Code". Below these are radio buttons for "Provider", "Practitioner", "Other", "Male", and "Female". There are several checkboxes for additional search options: "Accepting New Patients", "Open After 5:00 PM", "Open Weekends", "Accessible to People with Disabilities", "Patient-Centered Medical Home", "Extended Day Supply", and "Telemedicine". At the bottom, there are text input fields for "National Provider Identifier", "Pharmacy Type", "Group Affiliation", "Hospital Affiliation", "Language Spoken by Practitioner", and "Languages Spoken in Office". A green "Search" button is at the bottom.

## 4 STEP 4: Select Your Provider

After you click on Search, a new page will open showing all the providers that fit your selections.

On this page, you can:

- Click on a blue, bolded name to learn more about any of the listings
- Filter your results or
- Print the page
